Description

Coteci 7-in-1 Digital Cleaning Kit The Coteci 7-in-1 Digital Cleaning Kit is designed for safely cleaning everyday tech devices, camera lenses, screens, and delicate surfaces. With an air blower, cleaning brushes, soft fiber cloth, cleaning fluid, and cotton swabs, it provides a practical all-in-one solution for removing dust, dirt, fingerprints, and small particles from lenses, screens, keyboards, earbuds, and digital accessories. Key Features 7-in-1 Cleaning KitIncludes essential tools for cleaning lenses, screens, and small electronic accessories. Air Blower IncludedDirects a strong stream of air to remove dust and small particles from lenses, screens, and delicate areas without direct contact. Small Cleaning BrushHelps remove dirt, dust, and debris from corners, edges, ports, and device surfaces. Fan BrushUseful for gently cleaning wider surfaces such as camera lenses, screens, and equipment areas. Soft Fiber ClothHelps wipe screens and lenses without scratching when used properly. Cleaning Fluid IncludedHelps remove fingerprints, smudges, and marks from compatible surfaces. Cotton Swabs IncludedUseful for cleaning small gaps, edges, and detailed areas. Sharp Cotton Swabs IncludedDesigned for more precise cleaning around corners, ports, and hard-to-reach spaces. Safe & Eco-Friendly DesignPractical for regular cleaning without relying only on disposable wipes. Suitable for Lenses & ScreensCan be used for phones, tablets, laptops, cameras, glasses, monitors, and other compatible digital devices.
