Description

Insta360 GO 3S Retro Bundle 128GB The Insta360 GO 3S Retro Bundle 128GB is designed for creators who want a tiny 4K wearable camera with a nostalgic film-inspired shooting experience. Combining the 39g GO 3S standalone camera with a Retro Viewfinder, exclusive retro filters, Battery Pack, NFC Custom Skin, Strap, and Magnet Pendant, this special edition is ideal for street-style shooting, daily vlogs, travel moments, hands-free POV content, and creative social media storytelling. Key Features Special Retro Bundle EditionIncludes retro-inspired accessories that give the GO 3S a classic camera-style shooting feel while keeping the compact wearable design. 4K Hands-Free POV VideoCapture immersive first-person footage in 4K, ideal for walking, travel, daily activities, street content, and creative angles. Ultra-Compact 39g CameraSmall enough to clip, hang, mount, or carry anywhere for spontaneous everyday shooting. Retro Viewfinder IncludedCreates a vintage-style shooting experience and allows rough framing without relying only on a screen. Built-In Selfie MirrorThe Retro Viewfinder includes a selfie mirror for quick handheld self-portraits. Exclusive Film-Inspired FiltersIncludes retro-style looks such as Negative Film, Positive Film, and Sticker Filter for nostalgic photos and videos straight from the camera. 11 Built-In Color ProfilesOffers multiple creative looks, including film-inspired styles such as NC, CC, GR-F, Mono, and Vintage Vacation. FlowState StabilizationDigital stabilization helps keep video smoother during walking, movement, travel, and everyday action. Battery Pack IncludedExtends recording time up to 76 minutes and supports longer shooting sessions. Magnetic Mounting DesignAttach the camera to clothing, accessories, metal surfaces, or creative mounting positions for unique POV angles. Magnet Pendant IncludedEnables hands-free chest-level POV shooting by magnetically mounting the camera through clothing. NFC Custom SkinTap a compatible smartphone to open the Insta360 app for previewing footage, editing clips, or adjusting settings. Waterproof up to 10mThe standalone camera can handle water activities and underwater moments up to 33ft / 10m. FreeFrame Video SupportReframe footage into different aspect ratios for TikTok, Instagram, YouTube Shorts, and other platforms. 128GB Built-In StorageProvides generous internal storage for daily videos, travel clips, and creative shooting.
