Description

Huawei Band 11 Metallic Short Strategic Positioning Paragraph The Huawei Band 11 Metallic is a slim health and fitness tracker designed for users who want a stylish wearable with practical daily monitoring. With a bright 1.62-inch AMOLED display, lightweight comfort, advanced sleep insights, heart rate and SpO_2 tracking, 100+ workout modes, and up to 14 days of battery life, it is ideal for everyday health tracking, fitness routines, and smart notifications Key Features 1.62-Inch AMOLED DisplayBright and clear screen for checking health data, workout stats, notifications, and daily information easily. Metallic Style DesignGives the band a more refined look compared to basic fitness trackers, making it suitable for daily wear. Ultra-Lightweight ComfortApprox. 17g body weight makes it comfortable for all-day and sleep tracking use. Advanced Sleep TrackingTracks sleep patterns with deeper insights, including HRV-related sleep analysis. Heart Rate MonitoringSupports continuous heart rate tracking for daily health and fitness awareness. SpO_2 MonitoringHelps monitor blood oxygen levels during daily use. Emotional Wellbeing TrackingIncludes wellbeing features and breathing exercises to support better daily balance. 100+ Workout ModesTracks a wide range of sports and fitness activities for more complete workout monitoring. Smart NotificationsReceive call and message alerts directly on your wrist. Up to 14 Days Battery LifeLong battery life under light usage reduces the need for frequent charging. Android & iOS CompatibilityWorks with compatible Android and iOS smartphones through the Huawei Health app. Technical Specifications Product Type: Health & Fitness Tracker Model: Huawei Band 11 Metallic Display: 1.62-inch AMOLED Design: Metallic style Weight: Approx. 17g Health Monitoring: Heart rate, SpO_2, sleep tracking, HRV insights Wellbeing Features: Emotional wellbeing tracking, breathing exercises Workout Modes: 100+ modes Notifications: Calls and messages Battery Life: Up to 14 days with light use Compatibility: Android and iOS Battery Life Battery Life: Up to 14 days with light use Actual battery life may vary depending on screen brightness, health tracking settings, workout tracking, notifications, and usage habits.
