Product specification sheet

Product	Xiaomi Smart Dehumidifier Lite
SKU	cm-BHR8374EU
Brand	Xiaomi
Category	Consumer Electronics
Minimum order quantity	1
Unit	—
Unit price	$240.00
Available quantity	0

Description

Xiaomi Smart Dehumidifier Lite Short Strategic Positioning Paragraph The Xiaomi Smart Dehumidifier Lite is designed for homes that need reliable humidity control in a compact and quiet form. With 13L/day dehumidification capacity, a 3L water tank, smart app control, multiple drying modes, and low-noise operation, it helps reduce dampness, improve room comfort, support clothes drying, and manage humidity in bedrooms, bathrooms, laundry rooms, and storage spaces. Key Features 13L/Day Dehumidification CapacityRemoves up to 13 litres of moisture per day under 30°C / 80%RH test conditions, helping refresh humid rooms and reduce dampness. Compact but Powerful DesignSuitable for different home spaces including bedrooms, bathrooms, laundry rooms, and storage areas. 3L Large Water TankReduces the need for frequent emptying and supports longer operation. Continuous Drainage OptionIncludes a 1-meter drain hose for direct water discharge, useful for longer dehumidification sessions. Low-Noise OperationOperates at up to ≤38dB(A), with noise reduction optimisations designed for daily and night use. 3 Dehumidification ModesSmart mode, clothes drying mode, and sleep mode support different humidity control needs. Smart Mode with Custom Humidity ControlAllows users to set a preferred humidity level for better comfort. Clothes Drying ModeHelps reduce moisture around laundry and supports faster drying in humid weather. Sleep ModeLowers operating disturbance for more comfortable overnight use. 360° Top-Mounted Air OutletHelps distribute airflow more widely for more effective room dehumidification. Smart App ConnectivityConnects through 2.4GHz Wi-Fi and can be controlled using the Mi Home / Xiaomi Home app. Real-Time Humidity DisplayTop-mounted touch controls show humidity status clearly and make operation simple. Washable Antibacterial FilterUltra-fine washable filter helps block large particles and supports cleaner airflow. Concealed Caster WheelsEasy to move between rooms without scratching floors. 12 Safety FeaturesIncludes full tank auto shut-off, child lock, smart defrosting, overheating protection, compressor protection, and more. Technical Specifications Product Type: Smart Dehumidifier Model: DM-CS13BFA5B Item Dimensions: Φ290 × 520mm Net Weight: 11.1kg Rated Voltage: 220V–240V~ Rated Frequency: 50Hz Water Tank Capacity: 3.0L Dehumidifying Capacity: 13L/day at 30°C / 80%RH 0.29kg/h at 27°C / 60%RH Rated Power: 190W Max Input Power: 250W Max Input Current: 1.52A Operating Temperature: 5°C–35°C Refrigerant: R290 / 0.038kg Fuse: 3.15A / 250V Air Flow Rate: 140m³/h Noise Level: ≤38dB(A) Power Cord: 3 × 0.75mm² Wireless Connectivity: Wi-Fi IEEE 802.11b/g/n, 2.4GHz Operating Modes: Smart mode, clothes drying mode, sleep mode Air Outlet: 360° top-mounted air outlet Drainage: 3L tank or direct drainage using included drain hose Drain Hose: 1m length, 13.5mm inner diameter Filter: Washable antibacterial filter Controls: Top-mounted touch controls Display: Real-time humidity display Smart Control: Mi Home / Xiaomi Home app Mobility: Concealed caster wheels Safety Features: 12 safety protections Scheduling: 24/7 scheduling support What’s in the Box Xiaomi Smart Dehumidifier Lite main unit × 1 Water tank × 1, pre-installed Drain hose × 1, 13.5mm inner diameter, 1 metre long User manual × 1
