Description

Xiaomi Sound Party Portable Bluetooth Speaker The Xiaomi Sound Party is designed for users who want powerful portable sound for parties, outdoor gatherings, camping, beach days, and home entertainment. With 50W output, Harman AudioEFX tuning, Bass Boost mode, 3D colorful lighting, and IP67 water resistance, it delivers strong audio with a stylish party-ready design. Its main value is powerful sound anywhere. The 15W tweeter and 35W woofer create clear highs and deep bass, while TWS pairing, Party Connect, NFC quick pairing, and up to 26 hours of playtime make it practical for both small and large gatherings. Key Features 50W powerful sound output 15W tweeter + 35W woofer Bass Boost mode Harman AudioEFX tuning 3D colorful lighting effects TWS stereo pairing support Party Connect supports up to 100 speakers Bluetooth 5.4 NFC quick pairing Up to 26 hours playback 5200mAh lithium-ion battery PD fast charging support 10-minute charge gives up to 2 hours playback Reverse charging up to 15W Built-in microphone for hands-free calls IP67 water and dust resistance Hidden handle for easy carrying Stylish black and orange design Main Feature Sections 50W Powerful Sound The Xiaomi Sound Party uses a 35W woofer and 15W tweeter to deliver strong bass, clear vocals, and crisp treble for music, parties, and outdoor listening. Harman AudioEFX Tuning Tuned with Harman AudioEFX, the speaker delivers a richer and more balanced sound experience with deeper bass and clearer musical detail. Bass Boost Mode Bass Boost mode adds extra depth and impact to low frequencies, making it ideal for party music and energetic playlists. TWS Stereo Pairing Connect two Xiaomi Sound Party speakers together using TWS mode to create left and right stereo channels for a wider soundstage. Party Connect Mode Party Connect allows up to 100 compatible speakers to play together, making it useful for larger spaces and group events. 3D Colorful Lighting The time-tunnel ambient lighting pulses with the rhythm of your music, adding a visual party effect to your setup. Long Battery Life and Fast Charging The 5200mAh battery provides up to 26 hours of playback under controlled conditions. PD fast charging gives up to 2 hours playback from a 10-minute charge. Outdoor-Ready Design With IP67 water and dust resistance plus a hidden handle, the speaker is suitable for beach days, camping, poolside use, and outdoor gatherings.
