Description

Xiaomi Electric Shaver S200 The Xiaomi Electric Shaver S200 is designed for users who want a compact, smart, and travel-friendly shaver for daily grooming. With smart sensor operation, dual-track curved foils, an 8000rpm mini motor, and a palm-sized body, it delivers a simple and comfortable shaving experience at home or on the go. Its main value is smart shaving in a small design. The shaver automatically turns on when it touches the skin, supports wet and dry shaving, and includes a detachable magnetic shaver head for easier cleaning and maintenance. Key Features Compact palm-sized electric shaver Smart sensor operation Automatically turns on when touching skin Dual-track curved foils Inner suspended blades 8000rpm mini motor Handles soft and coarse facial hair Detachable magnetic shaver head IPX7 fully waterproof Wet and dry shaving support Type-C charging Up to 60 minutes battery life Available in Grey and Silver Travel-friendly design Main Feature Sections Smart Sensor Operation The Xiaomi Electric Shaver S200 automatically activates when the shaver head touches the skin and turns off when removed, making shaving simpler and more convenient. Dual-Track Curved Foils The curved foils are designed to stay close to the face for a smoother and more comfortable shave. Stable 8000rpm Motor The 8000rpm mini motor provides steady shaving performance and helps handle both soft and coarse facial hair with less pulling. Magnetic Shaver Head The detachable magnetic shaver head can be removed easily for cleaning and snapped back into place with the magnetic connection. Wet and Dry Shaving With IPX7 waterproof protection, the shaver can be used for wet or dry shaving and rinsed after use. Compact Travel Design The palm-sized body fits easily in a pocket, toiletry bag, or travel pouch, making it practical for daily use and travel.
