Product	Coteci HDMI 2.1 8K 60Hz Cable 3m
SKU	cm-87107
Brand	Coteci
Category	Peripherals
Minimum order quantity	1
Unit	—
Unit price	$22.00
Available quantity	100

Description

Coteci 3m HDMI 2.1 Dual Port 8K 60Hz Cable The Coteci 3m HDMI 2.1 Dual Port 8K 60Hz Cable is designed for users who need a strong high-definition video cable for TVs, monitors, gaming consoles, PCs, projectors, and home entertainment setups. With HDMI 2.1 support, 8K 60Hz output, and a durable braided build, it delivers reliable video and audio transmission for modern devices. Its main value is stable high-resolution performance with better durability. The aluminum alloy connector shell, braided wire, multi-layer shielding, and anti-tear design help reduce interference and support long-term daily use. Key Features HDMI 2.1 dual-port cable Supports up to 8K 60Hz 3m / 9.9ft cable length Supports high refresh rate Supports VRR for smoother gaming Aluminum alloy connector shell Braided wire design Multi-layer shielding Anti-tear and anti-stuck design High-strength woven mesh outer layer Helps reduce signal interference Suitable for TVs, monitors, PCs, consoles, and projectors Main Feature Sections 8K 60Hz HDMI 2.1 Support The Coteci HDMI cable supports up to 8K 60Hz, making it suitable for high-resolution TVs, monitors, gaming consoles, and home cinema setups. Smoother Gaming with VRR With support for high refresh rate and variable refresh rate, the cable helps deliver smoother visuals when used with compatible monitors, GPUs, consoles, and TVs. Multi-Layer Shielding The cable uses multi-layer shielding to help reduce signal interference and maintain stable video and audio transmission. Durable Braided Build The braided outer layer is designed to resist pulling, tearing, and daily wear, making the cable practical for long-term use. Aluminum Alloy Connectors The aluminum alloy connector shell gives the cable a stronger, more premium finish while helping protect the HDMI connectors during regular use.
