Product specification sheet

Product	Xiaomi Smart Standing Air Circulation Fan
SKU	cm-BHR9849EU
Brand	Xiaomi
Category	Home Appliances
Minimum order quantity	1
Unit	—
Unit price	$120.00
Available quantity	100

Description

Xiaomi Smart Standing Air Circulation Fan The Xiaomi Smart Standing Air Circulation Fan is designed for users who want powerful airflow, quiet operation, and smart control for better room comfort. With 1440m³/h airflow, 13m ventilation range, 3D oscillation, and Wi-Fi connectivity, it helps circulate air across the room quickly and efficiently. Its main value is whole-room air circulation with smart convenience. The fan supports 100 speed levels, Xiaomi Home app control, Direct Wind and Natural Wind modes, and a 2-in-1 design for table-top or floor-standing use. Key Features 1440m³/h powerful airflow Up to 13m ventilation range 2-minute whole-room circulation 100° vertical oscillation 120° horizontal oscillation 100 speed levels Direct Wind and Natural Wind modes Low noise operation from 27.9dB(A) DC inverter motor Energy-saving 18W rated power Wi-Fi 2.4GHz connectivity Xiaomi Home app control Smart scene connectivity 2-in-1 table-top or floor-standing design Adjustable height Removable front cover Child safety lock Main Feature Sections Powerful Whole-Room Circulation With 1440m³/h airflow and a 13m ventilation range, the fan helps move air across larger spaces and improve indoor comfort. 3D Oscillation The fan supports 100° up-and-down and 120° left-and-right automatic oscillation, helping distribute airflow more evenly around the room. 100 Speed Levels Through Xiaomi Home app, users can choose from 100 speed levels in Direct Breeze mode to customize airflow exactly to their comfort. Quiet Night Use At low speed, the fan can operate from 27.9dB(A), making it suitable for bedrooms, sleeping, studying, and quiet indoor use. Smart Xiaomi Home Control The fan connects through Wi-Fi and can be controlled from the Xiaomi Home app. It can also work with compatible smart devices for temperature-based automation. 2-in-1 Adjustable Design The height-adjustable design allows the fan to be used as a table-top fan or standing floor fan, depending on the room setup. Energy-Saving DC Motor The DC inverter motor delivers stable airflow with low energy consumption, helping keep cooling more efficient during long summer use. Technical Specifications Product Name: Xiaomi Smart Standing Air Circulation Fan Product Type: Smart air circulation fan Model: BPLDS11DM Rated Voltage: 12V Rated Power: 18W Airflow: 1440m³/h Ventilation Range: Up to 13m Vertical Oscillation: 100° Horizontal Oscillation: 120° Speed Levels: 100 levels Modes: Direct Wind, Natural Wind Minimum Noise Level: 27.9dB(A) Noise Emissions: ≤61dB(A) Wireless Connectivity: Wi-Fi IEEE 802.11b/g/n 2.4GHz Product Dimensions: 326 × 310 × 886mm Power Cord Length: 1.5m Net Weight: 2.7kg App Support: Xiaomi Home app Safety Feature: Child safety lock What’s in the Box Fan Head Assembly x1 Stand x1 Base x1 Power Adapter x1 User Manual x1
