Description

Xiaomi Cordless Pressure Washer The Xiaomi Cordless Pressure Washer is designed for users who want a portable washing solution for cars, outdoor cleaning, bikes, garden tools, and home surfaces. With cordless operation, 2.4MPa self-priming water pressure, 5 spray modes, and a lightweight 1.3kg body, it makes cleaning easier without needing a fixed water tap or power cable. Its main value is flexible outdoor cleaning. The removable 2000mAh battery, 6m water pipe, integrated soap chamber, and 5-in-1 spray head allow users to wash, foam, rinse, and water plants with one compact machine. Key Features Cordless portable pressure washer 2.4MPa self-priming water pressure Up to 180L/h water output 270W motor power 5-in-1 multifunctional spray head Five water modes Integrated soap chamber Removable 2000mAh lithium battery Type-C fast charging Fully charges in about 1.3 hours IPX6 water-resistant battery pack 1.3kg lightweight body 6m water pipe included Self-priming water pickup Safety lock design Inlet filter head Suitable for car washing, outdoor cleaning, bikes, and plant watering Main Feature Sections Cordless Washing Convenience The Xiaomi Cordless Pressure Washer works without a power cable during use, making it easier to clean cars, bikes, balconies, outdoor gear, and garden areas. 2.4MPa Self-Priming Pressure With 2.4MPa water pressure and up to 180L/h output, the washer provides strong water flow for daily cleaning and rinsing tasks. Flexible Water Pickup The self-priming design works with water sources such as buckets, streams, or rivers. The included 6m water pipe gives more flexibility outdoors. 5-in-1 Spray Head The multifunctional spray head offers 0-degree, 20-degree, 40-degree, high-pressure, and foam/shower modes for different cleaning needs. Integrated Soap Chamber The built-in soap chamber makes foam spraying easier without extra assembly, helping simplify car washing and surface cleaning. Lightweight One-Hand Use At around 1.3kg, the pressure washer is comfortable to hold and practical for quick cleaning jobs. Removable Battery and Type-C Charging The 2000mAh lithium battery pack supports Type-C charging and fully charges in about 1.3 hours using compatible power input.
