Description

Premium Glass Lens Protective Cover For Insta360 X5 The Premium Glass Lens Protective Cover for Insta360 X5 is designed for creators who want extra lens protection during travel, outdoor filming, and daily camera use. With a rotatable cover design, scratch-resistant glass, and dust protection, it helps keep the Insta360 X5 lens safer when not in use. Its main value is quick protection without affecting camera clarity. The high-transparency glass helps maintain image quality while protecting against scratches, dust, fingerprints, and minor daily impacts. Key Features Compatible with Insta360 X5 Premium glass lens protective cover Rotatable open/close design Anti-scratch protection Dust and fingerprint protection Helps protect against minor impacts High-definition optical clarity Maintains clear camera performance Durable long-lasting material Resistant to yellowing, cracking, and peeling Lightweight package design
