Product	LDNIO SC5614 Power Strip
SKU	cm-SC5614
Brand	LDNIO
Category	Electrical
Minimum order quantity	1
Unit	—
Unit price	$20.00
Available quantity	0

Description

LDNIO SC5614 5 AC Outlets Universal Power Strip The LDNIO SC5614 Power Strip is designed for customers who need one practical extension socket for home, office, desk setups, and charging multiple devices. With 5 universal AC outlets, 6 USB ports, and a 2-meter power cord, it helps power household appliances and charge mobile devices from one convenient place. Its main value is multi-device convenience. The universal outlets support UK, EU, and US plug types, while the USB ports use Auto-ID charging to support phones, tablets, and other USB-powered devices without needing separate wall chargers. Key Features 5 universal AC outlets 6 USB charging ports Auto-ID USB charging 2-meter heavy-duty power cord 2500W maximum AC output Supports UK, EU, and US plugs Suitable for home, office, and desk use Fire-proof PC material Multi-protection safety design Supports large adapters Charges multiple devices at the same time Main Feature Sections 5 Universal AC Outlets The LDNIO SC5614 includes 5 universal outlets that can accommodate UK, EU, and US standard plugs, making it useful for different devices and adapter types. 6 USB Charging Ports The built-in USB ports allow users to charge phones, tablets, and other USB devices directly without needing multiple separate chargers. Auto-ID Charging Auto-ID technology helps detect connected devices and deliver suitable USB output for easier everyday charging. 2-Meter Power Cord The 2-meter heavy-duty power cord gives users more flexibility when placing the power strip on a desk, beside a bed, near a TV setup, or in an office area. Multi-Device Power Solution With AC outlets and USB ports together, the SC5614 is practical for powering appliances, chargers, laptops, lamps, routers, and mobile devices in one setup. Safety-Focused Build The power strip is made from high-grade fire-proof PC material and includes multi-protection features for safer daily use.
