Description

Hoco Y33 Smart Watch Bluetooth Calling The Hoco Y33 Smart Watch is designed for users who want a stylish everyday smartwatch with Bluetooth calling, fitness tracking, and smart notifications. With its large 2.01-inch curved HD display and sporty design, it offers a practical balance between smart features and modern style. Its main value is simple daily convenience. Users can make and receive calls, check messages, track heart rate, monitor sleep, count steps, follow calories, and use multiple sports modes directly from the wrist. Key Features 2.01-inch curved HD TFT display 240 × 296 screen resolution Bluetooth 5.3 Bluetooth calling support App notifications and message alerts Heart rate monitoring Sleep tracking Step counter Calorie counter Multiple sports modes IP67 water and dust resistance Sporty modern design Main Feature Sections Large Curved Display The 2.01-inch curved HD TFT screen gives users a clear view of calls, messages, fitness data, and smartwatch functions. Bluetooth Calling With Bluetooth 5.3, users can make and receive calls directly from the watch when connected to a compatible smartphone. Health and Fitness Tracking The Hoco Y33 tracks heart rate, sleep, steps, and calories, helping users monitor daily wellness and activity habits. Multiple Sports Modes The watch supports multiple sports modes, making it useful for workouts, walking, daily movement, and casual fitness tracking. Smart Notifications Users can receive app notifications and messages on the watch, reducing the need to check the phone constantly. IP67 Water and Dust Resistance The IP67 rating helps protect the watch from sweat, dust, and everyday splashes during normal daily use. Technical Specifications Product Name: Hoco Y33 Smart Watch Display: 2.01-inch curved HD TFT screen Resolution: 240 × 296 pixels Bluetooth Version: 5.3 Bluetooth Calling: Supported Health Tracking: Heart rate, sleep, steps, calories Sports Modes: Multiple sports modes Notifications: App messages and alerts Water and Dust Resistance: IP67 Design: Sporty smartwatch design Bluetooth Version Bluetooth 5.3 Waterproof / Water Resistance IP67 water and dust resistance.
