Product	Hoco Portable Fan HX65 Desktop
SKU	cm-HX65
Brand	Hoco
Category	Home Appliances
Minimum order quantity	1
Unit	—
Unit price	$18.00
Available quantity	0

Description

Hoco HX65 Portable Desktop Fan The Hoco HX65 Portable Desktop Fan is designed for customers who want a compact, rechargeable fan for everyday cooling at home, in the office, on a desk, or while traveling. With a built-in 2000mAh battery, adjustable airflow direction, and quiet 25dB operation, it is a practical fan for indoor and outdoor comfort. Its strongest selling point is the balance between portability, quiet performance, and simple control. With 3 airflow levels, Type-C charging, LED indicators, and up to 6 hours of use depending on speed level, the Hoco HX65 is ideal for desks, bedrooms, study spaces, offices, and personal cooling on the go. Key Features Portable desktop fan Compact size for desk, home, office, and travel use Built-in 2000mAh rechargeable battery 3 airflow levels Fan speed levels: 1160 / 1660 / 2030RPM Quiet airflow noise at 25dB Adjustable airflow direction 9W power Simple one-button control LED charging indicator LED airflow level indicators Type-C charging port 5V/2A charging input 2.5-hour charging time 1.5–6 hours use time Made from ABS + electronic components Type-C charging cable included Compact 173 × 56 × 209mm size Lightweight 340g design Main Feature Sections Portable Desktop Cooling The Hoco HX65 is built for personal cooling on desks, bedside tables, workspaces, and small rooms. Its compact design makes it easy to place near you while working, studying, relaxing, or sleeping. 3 Airflow Levels The fan includes 3 airflow levels, allowing users to choose between softer airflow, medium cooling, or stronger airflow depending on the environment and comfort needs. Quiet 25dB Operation With an airflow noise level of 25dB, the HX65 is designed for quiet everyday use. This makes it suitable for offices, bedrooms, study areas, and other spaces where low noise matters. Adjustable Airflow Direction The adjustable airflow direction helps users aim the breeze where needed. This makes the fan more comfortable for desk use, bedside use, or personal cooling while sitting nearby. Built-In Rechargeable Battery The 2000mAh battery allows cordless use, making the fan practical for indoor and outdoor settings. It can run for 1.5 to 6 hours depending on the selected airflow level. Type-C Charging The Hoco HX65 charges through a Type-C port with 5V/2A input. A full charge takes around 2.5 hours, and the Type-C cable is included in the box. Simple One-Button Control The fan uses one button for power on/off and airflow level selection. This keeps operation simple and easy for daily use. LED Indicators The LED indicators show charging status and airflow level. The red light appears during charging and turns off once the battery is fully charged, while indicators ① ② ③ show the selected fan level. Compact and Lightweight Design At 173 × 56 × 209mm and 340g, the fan is easy to move, store, and carry. It is suitable for home use, office desks, travel, camping, and personal cooling. Technical Specifications Product Name: Hoco HX65 Portable Desktop Fan Product Type: Portable desktop fan Fan Blades: 7 × 5.5-inch blades Airflow Levels: 3 levels Fan Speed Levels: 1160 / 1660 / 2030RPM Airflow Noise: 25dB Power: 9W Control: One button for power on/off and airflow level selection Airflow Direction: Adjustable Indicators: LED indicators Charging Indicator: Red light during charging, turns off after full charge Airflow Level Indicators: ① ② ③ for levels 1–3 Material: ABS + electronic components Battery Capacity: 2000mAh Charging Input: 5V/2A Charging Port: Type-C Charging Time: Around 2.5 hours Use Time: 1.5–6 hours Product Size: 173 × 56 × 209mm Product Weight: 340g Recommended Use: Desk cooling, bedroom, office, study room, travel, indoor and outdoor personal cooling Battery Life Battery Capacity: 2000mAh Use Time: 1.5–6 hours Charging Time: Around 2.5 hours Charging Input: 5V/2A Charging Port: Type-C Actual use time may vary depending on airflow level, battery condition, charging habits, and environment. What’s in the Box Hoco HX65 Portable Desktop Fan x1 Type-C Charging Cable x1
