Description

Braun Series 5 All-in-One Trimmer AIO5560 The Braun Series 5 All-in-One Trimmer AIO5560 is designed for customers who want one reliable grooming kit for beard trimming, hair clipping, body grooming, and manscaping. With an 11-in-1 setup, it gives users the flexibility to manage head-to-toe styling at home without needing multiple separate grooming tools. Its strongest selling point is the balance between versatility, comfort, and control. The Ultra Sharp Blade helps deliver efficient trimming, while SkinGuard technology supports safer grooming on sensitive body areas. With 14 length settings, a waterproof design, and up to 120 minutes of cordless runtime, it is a practical choice for everyday personal grooming. Key Features 11-in-1 all-in-one grooming kit Suitable for beard trimming, hair clipping, body grooming, and manscaping Ultra Sharp Blade for precise and efficient grooming SkinGuard technology designed for safer use on sensitive body areas 14 trimming lengths from 0.5 mm to 21 mm 100% waterproof design AquaGrip for better control, even under the shower Long-lasting Li-Ion battery Up to 120 minutes cordless runtime Main Feature Sections 11-in-1 Grooming Versatility The Braun Series 5 AIO5560 is built for complete head-to-toe grooming. It includes curated tools for beard trimming, hair clipping, and manscaping, making it a strong option for customers who want one device for different grooming needs. Ultra Sharp Blade Performance The Ultra Sharp Blade is designed to provide precision and efficiency while trimming. This helps users achieve cleaner grooming results with better control across facial hair, head hair, and body hair. SkinGuard for Sensitive Areas SkinGuard technology is designed to support safer and more comfortable grooming, especially on sensitive body areas. This makes the trimmer more suitable for manscaping and body grooming where skin comfort matters. 14 Length Settings for Better Control The beard trimmer offers 14 length settings ranging from 0.5 mm to 21 mm. This gives users enough flexibility for short stubble, longer beard shaping, and general grooming maintenance. Waterproof Design with AquaGrip The trimmer is 100% waterproof, allowing it to be used and cleaned with water. AquaGrip helps improve control even when grooming under the shower, making the device easier to handle in wet conditions. Long Cordless Runtime The built-in Li-Ion battery provides up to 120 minutes of cordless runtime, giving users enough battery life for multiple grooming sessions before needing to recharge.
