## Description

Braun Series 5 Beard Trimmer BT5560 The Braun Series 5 Beard Trimmer BT5560 is designed for men who want advanced beard styling, controlled precision, longer cordless runtime, and a waterproof design for easier grooming. Its strongest selling point is not only the long battery life. The real value is the combination of Braun’s Ultra Sharp Blade, PrecisionLock, PrecisionWheel, 40 length settings, 0.5mm precision steps, 100% waterproof body, and up to 120 minutes of cordless runtime. Key Features Braun Series 5 beard trimmer Ultra Sharp Blade for efficient trimming PrecisionLock for controlled styling PrecisionWheel length adjustment 40 length settings 0.5mm precision steps Designed for trimming, edging, and detailing Helps catch tricky hairs evenly 100% waterproof design Long-lasting Li-Ion battery Up to 120 minutes cordless runtime Suitable for beard styling and grooming control Trimming Performance Ultra Sharp Blade The Ultra Sharp Blade helps cut through beard hair efficiently, allowing smoother trimming with fewer repeated strokes. Great Results Every Stroke The blade is designed to catch even tricky hairs, helping create a more even finish across the beard. Precision Control PrecisionWheel Adjustment The PrecisionWheel allows users to select their preferred trimming length with clear control. 40 Length Settings With 40 length settings in 0.5mm steps, the BT5560 gives users flexible control for short stubble, medium beard styles, longer beard maintenance, and detailed shaping. PrecisionLock PrecisionLock helps keep the selected length setting secure during trimming, reducing the chance of accidental changes while grooming. Styling Flexibility Trim, Edge & Detail The included styling tools are designed to help users trim beard length, define edges, and detail beard lines. Real Buyer Benefit This makes the BT5560 more practical for users who want controlled home grooming without relying on frequent barber visits. Waterproof Design 100% Waterproof The waterproof body makes the trimmer easier to clean and more convenient for regular grooming routines. Daily Convenience Users can rinse the trimmer after use for simpler maintenance. Battery Life Long-Lasting Li-Ion Battery The built-in Li-Ion battery supports stronger cordless convenience compared to basic rechargeable trimmers. Up to 120 Minutes Runtime The BT5560 provides up to 120 minutes of cordless use, making it suitable for multiple grooming sessions between charges.
