Description

Braun Series 3 Beard Trimmer BT3560 The Braun Series 3 Beard Trimmer BT3560 is designed for men who want easy beard maintenance, precise length control, and clean styling results at home. Its strongest selling point is not only cordless trimming. The real value is the combination of Braun’s Ultra Sharp Blade, PrecisionWheel control, 40 length settings, 0.5mm precision steps, and up to 50 minutes of cordless runtime. Key Features Braun Series 3 beard trimmer Ultra Sharp Blade for efficient trimming PrecisionWheel length control 40 length settings 0.5mm precision steps Designed for trimming, edging, and detailing Helps catch tricky hairs more evenly Cordless use Up to 50 minutes runtime Suitable for beard styling and daily grooming Trimming Performance Ultra Sharp Blade The Ultra Sharp Blade helps cut through beard hair efficiently, making trimming smoother and more consistent across different beard areas. Great Results Every Stroke The blade design helps catch tricky hairs and reduce the need to go over the same area repeatedly. Precision Control PrecisionWheel Adjustment The PrecisionWheel gives users easy control over trimming length, helping create a more accurate beard shape and style. 40 Length Settings With 40 length settings in 0.5mm steps, the BT3560 gives users flexible control for short stubble, medium beard maintenance, and detailed shaping. Styling Flexibility Trim, Edge & Detail The included styling tools are designed to help users trim beard length, clean edges, and define beard lines. Real Buyer Benefit This makes the trimmer practical for users who want one grooming tool for daily maintenance and sharper finishing. Cordless Convenience Up to 50 Minutes Runtime The trimmer offers up to 50 minutes of cordless use, giving enough time for multiple grooming sessions depending on beard length and usage. Easy Everyday Use Cordless operation makes trimming more comfortable and flexible without being restricted by a cable.
