Product	Noise Airwave Max 5 Headphones (Black)
SKU	cm-AUD-HDPHN-MAX-5-BLK
Brand	Noise
Category	Audio & Video
Minimum order quantity	1
Unit	—
Unit price	$62.00
Available quantity	100

Description

Noise Airwave Max 5 Wireless Headphones The Noise Airwave Max 5 is designed for users who want long battery life, active noise cancellation, and immersive wireless audio for daily music, work, travel, and entertainment. Its strongest selling point is not only the 80-hour playtime. The real value is the combination of Adaptive Hybrid ANC, 40mm drivers, Spatial Audio, dual device pairing, low latency, and Instacharge™ fast charging. Key Features Up to 80 hours playtime Adaptive Hybrid ANC up to 50dB 40mm speaker drivers Spatial Audio support Ultra-low latency up to 30ms Dual device pairing Quad mic ENC Bluetooth 5.4 Instacharge™ fast charging 10-minute charge gives up to 600 minutes playback Type-C charging Siri and Google Assistant support Android and iOS compatibility Audio Performance 40mm Speaker Drivers The 40mm drivers deliver a fuller headphone sound with clear vocals, balanced detail, and stronger bass presence for music, videos, and entertainment. High Fidelity Acoustics The Airwave Max 5 is tuned for a crisp and immersive listening experience, making it suitable for daily music, streaming, movies, and casual gaming. Noise Cancellation Adaptive Hybrid ANC The headphones support Adaptive Hybrid Active Noise Cancellation up to 50dB, helping reduce unwanted background noise during travel, office work, study, or commuting. Environmental Noise Cancellation ENC helps improve voice pickup by reducing surrounding noise during microphone use. Spatial Audio & Low Latency Spatial Audio Spatial Audio gives a wider, more immersive sound experience for supported content. Ultra-Low Latency The 30ms low-latency mode helps reduce audio delay, making the headphones more suitable for gaming, videos, and fast-paced content. Battery Life Playtime Up to 80 hours of battery life. Charging Time Approximately 1.5 hours. Instacharge™ Fast Charging A 10-minute charge provides up to 600 minutes of playback at 60% volume. Charging Port USB Type-C. Connectivity Bluetooth 5.4 Bluetooth 5.4 supports stable wireless connection and efficient performance. Dual Device Pairing Dual pairing allows the headphones to connect to two devices, making it easier to switch between a laptop and phone. Wireless Range Up to 10m. Auto Pairing Automatically reconnects to the last paired device. Comfort & Design Over-Ear Comfort The headphones are designed for long listening sessions with an ergonomic fit and premium-style finish. Best Use Case Ideal for commuting, studying, office work, travel, online content, and daily music listening.
