Product	Redmi Buds 8 Active (White)
SKU	cm-BHR08JTGL-WH
Brand	Redmi
Category	Audio & Video
Minimum order quantity	1
Unit	—
Unit price	$32.00
Available quantity	0

Description

Redmi Buds 8 Active The Redmi Buds 8 Active is designed for users who want lightweight everyday earbuds with comfortable semi-in-ear wearing, clear calls, and long battery life. Its strongest selling point is not only the 14.2mm driver. The real advantage is the balance between comfort, battery endurance, dual-mic call clarity, and customizable EQ. This makes it a strong choice for daily commuting, work, calls, music, and casual entertainment. Key Features Semi-in-ear comfort design Optimized ergonomic earbud curve 14.2mm titanium-plated dynamic driver Clear calls with dual microphones SBC and AAC codec support 5 preset EQ modes Custom EQ curve adjustment Up to 7 hours earbud battery life Up to 37 hours total battery life with case 10-minute quick charge gives up to 2 hours playback Compact and lightweight REDMI family design Comfort & Fit Semi-in-Ear Design The semi-in-ear structure helps reduce ear canal pressure, making the earbuds more comfortable for long listening sessions. Optimized Earbud Curve The front shell is shaped to better match the natural contour of the ear, reducing localized pressure during daily use. Best For Commuting, working, relaxing, casual calls, and users who dislike deep in-ear silicone tips. Audio Performance 14.2mm Titanium-Plated Dynamic Driver The large driver is designed to deliver clearer treble, richer detail, and a more dynamic listening experience for vocals and instruments. AAC Codec Support Alongside SBC, AAC support helps preserve more sound detail and deliver smoother audio for music and voice content. EQ Customization 5 Preset EQ Modes Users can choose between different sound profiles, including balanced sound, enhanced treble, and enhanced bass. Custom EQ Curve The custom EQ option allows users to adjust high, mid, and low frequencies based on their listening preference. Calls & Microphones Dual-Mic Call Clarity The dual-microphone setup helps improve voice pickup during calls, making the earbuds more practical for everyday communication. Battery Life Earbud Battery Life Up to 7 hours on a single charge. Total Battery Life Up to 37 hours with the charging case. Quick Charge A 10-minute charge provides up to 2 hours of playback. Design Compact Charging Case The lightweight and compact case is easy to carry in pockets, bags, and daily travel setups. REDMI Family Design The design follows REDMI’s clean and simple product language, making it practical for everyday lifestyle use.
