Description

Braun Series 7 Black Shaver 72-N4200cs The Braun Series 7 72-N4200cs is a premium wet & dry electric shaver designed for users who want smoother shaving with better facial contour adaptation. Its strongest selling point is the 360° SkinFlex head. This gives the shaver better contact across difficult areas like the jawline, chin and neck, where fixed-head shavers often require repeated passes. Key Features Braun Series 7 electric shaver 360° SkinFlex flexible head 3 flexible shaving blades Wet & dry use 3 shaving modes Turbo, Gentle and Standard modes EasyClick Precision Trimmer attachment Lithium-ion battery Up to 60 minutes runtime 5-minute quick charge Waterproof design Made in Germany Shaving Performance 360° SkinFlex Head The 360° flexible head adapts to facial contours, helping maintain better skin contact during shaving. Real Buyer Benefit Better contact usually means fewer repeated strokes, which can improve both shaving speed and skin comfort. 3 Flexible Blades The 3 flexible blades adjust to the face to help deliver a close shave, especially around hard-to-reach areas. Shaving Modes Turbo Mode Designed for faster shaving when users want speed and efficiency. Gentle Mode Reduces shaving intensity for a more comfortable experience, especially useful for sensitive skin or daily shaving. Standard Mode Balances shaving speed and gentleness for normal everyday use. Precision Trimming EasyClick Precision Trimmer The included precision trimmer attachment is useful for finishing sideburns, moustache edges and beard lines. Wet & Dry Use Flexible Routine Can be used dry or with water, foam or gel. Waterproof Design The waterproof body supports easier rinsing and more convenient cleaning after use. Battery Life Runtime Up to 60 minutes cordless shaving. Quick Charge A 5-minute quick charge provides enough power for a quick shave. Battery Type Lithium-ion battery.
