Description

Braun Series 8 Silver Shaver 8617S The Braun Series 8 8617S is a premium wet & dry electric shaver designed for users who want a close, comfortable shave with better control around tricky facial areas. Its strongest selling point is not only the premium Series 8 name. The real advantage is the 4+1 synchronized shaving system, 40° flexible compact head, SensoAdapt beard-density technology, and built-in Precision ProTrimmer. This makes it a strong option for users who want a premium shave without moving all the way to the highest Series 9 tier. Key Features Premium Braun Series 8 electric shaver 4+1 synchronized shaving elements 0.05mm close shaving performance 40° ultra-compact flexible head SensoAdapt beard-density technology Analyzes beard density 160 times per second Built-in Precision ProTrimmer Surgical-grade stainless steel trimmer Wet & dry use 100% waterproof design Up to 60 minutes battery life 5-minute quick charge Li-Ion battery Charging stand included Fabric travel case included Shaving Performance 4+1 Synchronized Shaving Elements The Series 8 shaving system uses 4+1 synchronized elements to capture hair growing in different directions while helping protect the skin during each stroke. 0.05mm Close Shave Designed to deliver a close shave while maintaining skin comfort for daily grooming. Best For Daily shaving, medium beard density, tricky areas around the chin, under the nose, and users who want a premium electric shaving experience. Flexible Head Design 40° Ultra-Compact Flexible Head The 40° flexible compact head helps maintain closer contact with the skin, especially under the nose and around the chin. Real Buyer Benefit This improves control in areas where larger shaver heads can feel less precise. SensoAdapt Technology Beard Density Detection SensoAdapt analyzes beard density up to 160 times per second. Automatic Power Adjustment The shaver adjusts power depending on beard thickness, helping maintain efficient shaving without forcing the user to manually change modes. Precision ProTrimmer Built-In Trimmer The integrated Precision ProTrimmer is designed for finishing longer hairs, sideburns, moustache edges, and detailed grooming. Material Surgical-grade stainless steel. Wet & Dry Use Flexible Shaving Routine Can be used wet or dry, with or without foam. Waterproof Design The shaver is 100% waterproof, making it easier to rinse and maintain after use. Battery Life Runtime Up to 60 minutes cordless use. Full Charge Approximately 60 minutes. Quick Charge 5-minute quick charge. Battery Type Li-Ion battery.
