SKU	cm-9615S
Brand	Braun
Category	Hair Care
Minimum order quantity	1
Unit	—
Unit price	\$389.00
Available quantity	100

Description

Braun Series 9 Grey Shaver 9615S The Braun Series 9 9615S is positioned as a premium electric shaver for men who want faster shaving, better comfort, and stronger performance on longer beard growth. Its strongest selling point is not just that it is a Series 9 model. The real value is the 5 synchronized shaving elements, which are designed to handle 1-day, 3-day, and even 7-day beard growth more efficiently than basic electric shavers. Key Features Premium Braun Series 9 electric shaver 5 synchronized shaving elements Designed for 1, 3, or 7-day beard growth Built-in precision ProTrimmer Surgical-grade steel trimming element Designed for moustache, sideburns and under-nose areas Skin comfort-focused shaving system Suitable for daily premium grooming Shaving Performance 5 Synchronized Shaving Elements The five shaving elements work together to capture different hair types and growth directions in fewer strokes. This matters because longer or tricky facial hair usually needs more passes with basic shavers, which can increase irritation. Efficient on Longer Beard Growth Designed to handle 1-day, 3-day and 7-day beard growth, making it suitable for users who do not shave every single day. Precision Trimming Built-In ProTrimmer The precision ProTrimmer is designed for detailed grooming areas such as moustache lines, sideburns and under the nose. Surgical-Grade Steel The enhanced steel trimming element improves cutting efficiency for more controlled detail work. Skin Comfort Reduced Repeated Passes The main comfort benefit comes from cutting more hair per stroke. Fewer repeated passes can help reduce shaving friction, especially on sensitive skin. Cleaning Station Note Important Product Check The provided data mentions a 6-in-1 Cleaning Station, but the model name “9615S” may indicate a shaver-only version depending on the regional package. Before listing, verify the actual box contents. Do not advertise the cleaning station unless it is physically included in your stock. Technical Specifications Product Type Premium electric shaver Model Braun Series 9 9615S Shaving System 5 synchronized shaving elements Trimmer Built-in precision ProTrimmer Trimmer Material Surgical-grade steel Best For Daily shaving, longer beard growth, moustache, sideburns and under-nose detailing What's in the Box Only include this section after confirming your actual package contents. If your package includes only the shaver, list: Braun Series 9 9615S shaver Charging accessory Protective cap or case if included If your package includes the cleaning station, list: Braun Series 9 9615S shaver 6-in-1 Cleaning Station Charging accessory Cleaning cartridge if included Travel case or pouch if included
