Description

Braun XT5100 Hybrid Trimmer Face & Body The Braun XT5100 is designed for users who want one compact tool for trimming, styling and shaving both face and body. Its strongest selling point is not just that it is “hybrid.” The real advantage is the combination of 4D-Flex Blade performance, pivoting head control, wet & dry use and SkinGuard protection for sensitive areas. Key Features Hybrid beard trimmer, body shaver and electric razor 4D-Flex Blade technology 2x wider cutting area 450 blade movements per second Pivoting Flex Head 2-way combs for trimming in any direction Face combs: 1mm, 2mm, 3mm and 5mm Sensitive body comb included SkinGuard comb for sensitive areas 100% waterproof design Rubberized non-slip handle Up to 45 minutes cordless runtime Drawstring pouch included Shaving & Trimming Performance 4D-Flex Blade The 4D-Flex Blade is designed to trim, style and shave efficiently in one tool. 2x Wider Cutting Area The wider cutting area helps cover more hair with each pass, making grooming faster and more practical for daily use. 450 Movements Per Second The blade system moves quickly to support smooth trimming and shaving across face and body areas. Flex Head Control Pivoting Flex Head The pivoting head helps maintain better contact with the skin, especially around tricky areas and body contours. Real Buyer Benefit This makes the XT5100 easier to control than fixed-head hybrid trimmers, especially when grooming uneven or curved areas. Face Grooming Face Comb Lengths Includes combs for: 1mm 2mm 3mm 5mm Best For Stubble maintenance, beard trimming, cheek lines, neckline cleanup and facial styling. Body Grooming Sensitive Comb The sensitive comb is designed for body grooming and helps protect the skin from direct blade contact. SkinGuard Protection The SkinGuard comb and caged-blade design help reduce irritation risk when grooming sensitive areas. Wet & Dry Use Waterproof Design The XT5100 is 100% waterproof, allowing wet or dry grooming. Non-Slip Handle The rubberized handle improves grip and control, especially when used in wet conditions. Battery Life Runtime Up to 45 minutes cordless use. Blade Life Stainless Steel Blade The stainless steel blade stays sharp for up to 6 months, depending on usage and hair type.
