Description

Braun XT5200 Wet & Dry Shaver All-in-One Tool The Braun XT5200 is designed for users who want one compact grooming tool for shaving, trimming, edging, and body grooming. Its strongest selling point is not just “6 attachments.” The real value is flexibility: one device that can handle face, beard lines, body trimming, and sensitive areas with wet & dry convenience. Key Features All-in-one electric shaver and beard trimmer Shave, trim and edge with one tool 4D-Blade technology 450 blade movements per second Wet & dry use Suitable for face and body grooming SkinGuard comb for sensitive areas Rubberized anti-slip handle Two-way comb for trimming up and down Includes 6 attachments and travel pouch Shaving & Trimming Performance 4D-Blade Technology The 4D-Blade uses 4 cutting elements: 2 side trimmers and 2 central shaving zones. This helps the shaver cut efficiently while staying gentle on the skin. 450 Movements Per Second The blade system moves quickly to support faster shaving, trimming and edging during daily grooming. Close but Skin-Friendly Shave The XT5200 is designed to shave close enough for a clean look, while avoiding the aggressive feel of traditional razor blades. Face Grooming Face Comb Lengths Includes face combs for: 1mm 2mm 3mm 5mm Best For Beard trimming, stubble control, neckline cleanup, cheek lines and facial edging. Body Grooming Body Comb Lengths Includes body combs for: 0mm 3mm SkinGuard Comb The SkinGuard comb helps protect the skin when grooming delicate areas such as chest, underarms, groin, face, neck and eyebrows. Wet & Dry Use Shower-Friendly Grooming The XT5200 can be used wet or dry, giving users more flexibility depending on their routine. Anti-Slip Handle The rubberized handle improves grip and control, especially when used in wet conditions. Blade Life Stainless Steel 4D-Blade The stainless steel blade stays sharp for up to 6 months, depending on use and hair type.
