Description

Braun Black Electric Shaver Series 300 The Braun Series 300 is an entry-level electric shaver designed for users who want a simple, reliable daily shaving tool without complicated features. Its strongest advantage is not premium shaving technology. The real value is practical daily convenience: pressure-sensitive shaving elements, cordless use, washable cleaning, and travel-friendly voltage support. Key Features Cordless electric shaver 3 pressure-sensitive shaving elements Designed for smooth facial shaving Adapts to facial contours Rechargeable NiMH battery Up to 30 minutes shaving time 1-hour charging time Washable under running water Protective cap included Smart plug with 100–240V support Shaving Performance 3 Pressure-Sensitive Shaving Elements The shaving elements adjust to pressure and facial contours, helping deliver a closer and more comfortable shave with less irritation. Daily Shaving Use This is best suited for regular shaving maintenance rather than heavy beard removal after many days of growth. Battery Life Runtime Up to 30 minutes of cordless shaving and trimming. Charging Time Approximately 1 hour full charge. Battery Type Rechargeable NiMH battery. Cleaning & Maintenance Washable Design The shaver can be rinsed under running water after use, making cleaning easier and more hygienic. Protective Cap The included protective cap helps keep the shaving head covered when stored or packed for travel. Travel Use Smart Plug The included smart plug supports 100–240V, making it suitable for travel use in different regions with the correct plug adapter when needed.
