Product	LDNIO SC4383 70W Power Strip
SKU	cm-SC4383
Brand	LDNIO
Category	Electrical
Minimum order quantity	1
Unit	—
Unit price	$24.00
Available quantity	100

Description

LDNIO SC4383 70W Desktop Power Strip Short Strategic Positioning Paragraph The LDNIO SC4383 is a multifunctional desktop power strip designed for users who need one clean charging station for laptops, tablets, phones, and household devices. With 70W USB-C PD fast charging, 2 USB-C ports, 1 USB-A port, universal AC outlets, a 2m power cord, and 2500W rated AC output, it is ideal for desks, offices, bedrooms, travel setups, and shared charging areas. Key Features 70W USB-C Fast ChargingSupports PD3.0 and QC3.0 fast charging for compatible phones, tablets, and USB-C devices. 2 USB-C + 1 USB-A PortsCharge multiple mobile devices directly without needing separate wall chargers. Universal AC OutletsSupports UK, EU, and US plug types, making it practical for different devices and adapters. 2500W Rated AC OutputSuitable for powering household appliances, office devices, and mobile accessories within the rated limit. 2m Heavy-Duty Power CordGives more flexibility for desk setups, bedside use, office corners, and places where wall sockets are not close. Multi-Device Charging StationDesigned to organize power access for phones, tablets, laptops, chargers, monitors, and accessories in one place. Large Adapter FriendlyThe outlet layout helps accommodate larger plugs and adapters more easily. Multi-Protection Safety DesignBuilt with fire-resistant PC material and 9 protection features for safer daily use. Desktop-Friendly SetupHelps reduce cable clutter by combining AC sockets and fast USB charging in one power adapter.
