Description

Braun Silk-épil 5 Wet & Dry SE5-230 The Braun Silk-épil 5 SE5-230 is built for users who want longer-lasting smooth skin without depending on waxing appointments or constant shaving. Its strongest advantage is not just hair removal.It is the combination of: □ wet & dry comfort□ MicroGrip tweezer precision□ bikini trimming support□ exfoliation support to help reduce ingrown hairs This makes it a more complete home hair removal system than a basic epilator. Key Features Wet & dry cordless epilator MicroGrip tweezer technology Removes hairs as short as 0.5mm Up to 1 month of smooth skin Massage roller cap for better comfort Exfoliation attachment included Bikini trimmer included Shaver head included Suitable for use in bath or shower Includes pouch for storage Hair Removal Performance MicroGrip Tweezer Technology Captures short hairs from 0.5mm Removes hair from the root Helps maintain smoother skin for longer than shaving Main Benefit You do not need to wait for hair to grow long like with waxing. That is a serious convenience advantage. Wet & Dry Use Usage Can be used dry Can be used in the bath or shower Comfort Benefit Using the epilator under warm water can help reduce pain sensation, especially for beginners or sensitive users. Comfort Features Massage Roller Cap Helps reduce discomfort during epilation Makes the process more manageable for regular use Important reality:It improves comfort, but epilation is still not completely painless. Exfoliation Support Exfoliation Attachment Helps prepare the skin Supports smoother results May help reduce ingrown hairs with consistent use This is a useful add-on because ingrown hairs are one of the biggest complaints after root hair removal. Sensitive Area Grooming Bikini Trimmer Designed for sensitive areas like the bikini line Helps trim before epilation or maintain shape Shaver Head Useful when users prefer shaving instead of epilating certain areas What's in the Box Braun Silk-épil 5 SE5-230 epilator Bikini trimmer Bikini trimmer attachments Trimmer comb Shaver head Exfoliation attachment Massage roller cap Cleaning brush Storage pouch
