Description

Braun Silk-épil 9 9-041 Epilator Short Strategic Positioning Paragraph The Braun Silk-épil 9 9-041 is designed for women who want faster, more efficient hair removal with long-lasting smoothness. Its wide pivoting head follows body contours, removes short hairs as small as 0.5mm, and supports wet & dry use for a more comfortable routine in the bath or shower. Key Features Fast & Efficient EpilationThe wide epilation head covers more skin with each pass, helping make hair removal faster and more efficient. Removes Short Hairs from 0.5mmCatches hairs that waxing may miss, making it useful between waxing cycles or as a regular hair removal solution. Wide Pivoting HeadAdapts to body contours for better skin contact and more consistent results. Wet & Dry UseCan be used in the bath or shower for a gentler epilation experience. Massage Roller CapHelps reduce the pain sensation during epilation for improved comfort. Smart LightReveals fine and tiny hairs so you can remove more hair with fewer missed spots. Lady Shaver AttachmentOffers a gentler shaving option for areas where epilation may feel too sensitive. Trimmer CombHelps trim hair in sensitive areas before shaving or epilation. 50-Minute Battery RuntimeProvides enough cordless use for multiple grooming sessions depending on usage.
