Description

Xiaomi Zoom Floor Selfie Stick Tripod 62 Short Strategic Positioning Paragraph The Xiaomi Zoom Floor Selfie Stick Tripod 62 is built for creators, vloggers, travelers, and everyday users who want stable hands-free shooting with a taller, more flexible camera angle. With a 62-inch extendable pole, floor-standing tripod design, wireless Bluetooth remote, and rotatable phone clip, it makes selfies, videos, livestreams, and group photos easier without needing someone behind the camera. Key Features 62-Inch Extendable PoleExtends up to 62.99 inches, allowing wider shots, standing-angle selfies, group photos, and more natural video framing. Floor-Standing Tripod DesignLong tripod legs and a widened base improve stability for hands-free shooting. Zinc Alloy Umbrella Rib StructureReinforced structure helps improve balance, stability, and load-bearing performance. One-Touch Foldable DesignThe tripod expands with a slight tap at the bottom, making setup faster and easier. Wireless Bluetooth Remote ControlTake photos or videos from a distance using the detachable remote control. Remote Zoom SupportSupports high-precision zoom control for more flexible framing on compatible devices. Rotatable Phone ClipEasily switch between portrait and landscape mode, with adjustable angles for different shooting styles. Cold Shoe Accessory PortBuilt-in cold shoe mount allows adding compatible accessories such as a light panel or adapter. Non-Slip Silicone PadsWide silicone contact pads help improve grip and reduce slipping on flat surfaces. Portable Storage DesignFoldable and compact enough to carry with the included storage bag.
