Product specification sheet

Product	Anker Zolo 30W USB-C Wall Charger
SKU	cm-A2698L11
Brand	Anker
Category	Accessories
Minimum order quantity	1
Unit	—
Unit price	$20.00
Available quantity	100

Description

Anker Zolo 30W Wall Charger Most cheap compact chargers advertise: “30W fast charging.” That alone means almost nothing anymore. The real engineering challenge is: heat management in small chargers. Because: smaller size higher wattage continuous fast chargingcreates thermal stress. That’s where better GaN chargers separate themselves from generic ones. Key Features 30W USB-C fast charging Advanced GaN II technology Compact travel-friendly design Improved temperature management Slim lightweight build USB-C Power Delivery support Charging Performance Output Power Up to 30W Real Usage Suitable for: smartphones tablets earbuds smaller USB-C accessories Can also charge: some lightweight laptops MacBook Air-type devices slowly/moderately Fast Charging Capability Charging Speed Up to 3× faster than standard chargers Best For iPhone fast charging Samsung fast charging USB-C PD devices GaN II Technology Why It Matters GaN chargers are valuable because they: reduce heat improve efficiency allow smaller charger size Real Benefit Better: portability sustained charging performance energy efficiency Without requiring bulky adapters. Temperature Management Claimed Advantage Operates cooler than standard industry levels Critical Reality Heat is the real long-term enemy of: charger lifespan charging efficiency battery health Better thermal control matters more than marketing wattage. Design Build Style Compact slim profile Transparent-inspired modern housing Portability Travel-friendly pocket-sized desk-friendly Best Use Cases Excellent For daily phone charging travel setups office charging bedside charging compact desk setups
