Description

Skinarma Gemini WHOOP 5.0 Band Strap Upgrade your WHOOP with a bold, performance-driven design. The Skinarma Gemini strap features a sleek dual-tone look with strong color blocking, built for both style and everyday durability. Made from lightweight, water-resistant silicone, it offers all-day comfort whether you're training, working, or on the move. The hidden magnetic fastening system ensures a secure and seamless fit, while the custom metallic connector adds a premium touch. Designed for WHOOP 5.0 and WHOOP MG, it delivers a perfect balance of performance, comfort, and modern design. Key Features Dual-tone design with bold color blocking Lightweight and water-resistant silicone material Secure hidden magnetic fastening system Comfortable for all-day wear Premium metallic connector module Fits wrist sizes from 140mm to 210mm Compatible with WHOOP 5.0 and WHOOP MG
