Description

Philips Robot Vacuum Cleaner & Mop – Smart Cleaning Clean your home effortlessly every day. The Philips Robot Vacuum Cleaner & Mop combines powerful suction with mopping in one pass, removing dust, dirt, and fine particles for a complete clean. With intelligent LDS radar navigation, it maps your home and ensures full coverage without missing spots—even in low light. It automatically boosts suction on carpets and resumes cleaning after recharging for uninterrupted performance. Control everything easily through the HomeRun app—set schedules, define rooms, and customize cleaning to match your lifestyle
