Description

JBL Go 5 – Portable Bluetooth Speaker Big sound, pocket size. The JBL Go 5 delivers powerful audio with deeper bass in a compact design you can take anywhere—from your desk to the beach. With up to 10 hours of battery life and Playtime Boost, it keeps the music going all day. The built-in ambient edge lighting adds a visual vibe, while its rugged IP68 rating protects against water, dust, and drops. Pair two speakers for stereo sound or connect multiple devices via Auracast™ for a bigger audio experience. Key Features Powerful JBL sound with enhanced bass Ultra-compact and portable design Up to 10 hours battery with Playtime Boost Ambient edge lighting with visual indicators IP68 waterproof, dustproof, and drop-resistant AirTouch stereo pairing for dual speakers Auracast™ multi-speaker connectivity Customizable via JBL Portable app
