Description

Philips Vacuum & Mop Robot – Auto-Empty Smart Cleaner Come home to a spotless space—without lifting a finger. This Philips robot vacuums and mops in one pass, tackling everyday dust, crumbs, and pet hair while keeping hard floors fresh. With powerful suction and automatic carpet boost, it cleans deeper where it matters. LDS radar navigation maps your home for precise, edge-to-edge coverage—even in low light. The compact auto-empty station stores up to 70 days of dust in a sealed bag, reducing maintenance and keeping disposal hygienic. Control everything from the HomeRun app: set rooms, no-go zones, and schedules for fully personalized cleaning
