Description

Huawei MatePad 11.5 – 2.5K 120Hz PaperMatte Tablet + Free Keyboard & M-Pencil (8GB + 256GB) A true laptop alternative in tablet form. The Huawei MatePad 11.5 delivers a premium experience with its 2.5K 120Hz PaperMatte display, designed to reduce glare and reflections for comfortable viewing and writing—even in bright environments. Built for productivity and creativity, it comes with a free keyboard case and Huawei M-Pencil, giving you a complete setup for notes, drawing, and work on the go. With PC-level WPS Office and a responsive keyboard, you can handle documents, presentations, and multitasking effortlessly. Despite its slim and lightweight design, it packs a powerful 10,100mAh battery with fast charging, making it ideal for long study sessions, workdays, or entertainment. Key Features 11.5-inch 2.5K PaperMatte display with 120Hz refresh rate Anti-glare and anti-reflection technology Free Huawei keyboard case and M-Pencil included PC-level WPS Office for productivity 8GB RAM for smooth multitasking 256GB of Storage Large 10,100mAh battery with 40W fast charging Slim metal body (6.1mm) and lightweight design Quad stereo speakers for immersive sound Stylus support with magnetic attachment and charging
