Description

Xiaomi Water Flosser 2 – Powerful Oral Irrigator Clean deeper than brushing alone. The Xiaomi Water Flosser 2 uses high-frequency pulsed water to remove food particles and plaque between teeth, helping improve overall oral hygiene. With smart pressure stabilization, it delivers consistent and effective cleaning while staying gentle on gums. Choose from three modes to match your comfort level, from gentle care to powerful deep cleaning. Its large 200mL water tank and long battery life make it ideal for daily use at home or while traveling. Key Features High-frequency pulsed water for deep cleaning Smart pressure stabilization for gentle gum care Up to 99.4% cleaning efficiency 3 modes: Gentle, Standard, Powerful 2 interchangeable tips (standard & orthodontic) Large 200mL water tank for full-mouth cleaning Long battery life up to 90 days Easy assembly and refill design
