Description

Coteci TR-043 Portable Digital Luggage Scale – 30kg Avoid overweight luggage fees and weigh your bags anywhere with precision. The Coteci TR-043 Hand-Held Scale is compact, lightweight, and designed for travel, shipping, and everyday use. With a clear digital display and multiple measurement units, it delivers accurate readings in seconds. The reinforced strap and steel hook ensure secure weighing, while its small size makes it easy to carry in your pocket or bag. Perfect for travelers, online sellers, and daily use. Key Features: High precision weighing up to 30kg Compact and lightweight (only 83g) Clear digital LCD display Reinforced strap with durable steel hook 4 measurement units (g / kg / lb / oz) Automatic zero tracking for accuracy Low battery & overload indicators Long standby with button-cell battery
