Description

Xiaomi Multi-Function Emergency Flashlight The Xiaomi Multi-Function Emergency Flashlight is designed for drivers, travelers, campers, and home users who want a reliable safety tool for unexpected situations. With 1000 lumens brightness, up to 240m lighting range, adjustable spotlight and floodlight modes, magnetic attachment, long battery life, and built-in emergency tools, it is a practical flashlight for car safety, outdoor use, power cuts, and emergency preparation. Key Features 1000 Lumens BrightnessProvides strong lighting for roadside emergencies, outdoor activities, home use, and low-light situations. Up to 240m Lighting RangeLong-range illumination helps improve visibility in open spaces, dark roads, camping areas, and emergency scenes. Adjustable Beam DesignSwitch between spotlight and floodlight depending on whether you need focused distance lighting or wider area coverage. Built-In Emergency ToolsIncludes a seatbelt cutter and window breaker for emergency car safety situations. Magnetic AttachmentMagnetic base allows hands-free use on compatible metal surfaces, such as car panels or metal work areas. 3100mAh BatteryBuilt with a large battery for extended use during travel, power cuts, camping, and emergency preparation. Up to 90 Hours RuntimeLong battery life makes it suitable for keeping in the car, home, or travel kit. Multi-Function Safety DesignCombines lighting, emergency response tools, and hands-free mounting in one compact device. Suitable for Car & Outdoor UsePractical for roadside situations, camping, hiking, home backup, travel, and general safety use. Compact Emergency ToolEasy to keep in a car glove box, emergency bag, camping kit, or home drawer.
