Description

Coteci AirTag Holder with Steel Cable – Secure Anti-Loss Case Keep your items safe with this AirTag holder with steel cable, designed for maximum security and durability. The reinforced braided wire and screw lock system ensure your AirTag stays firmly attached at all times. Perfect for keys, bags, luggage, or pets — giving you peace of mind wherever you go. Why This Is Better Than Standard Holders Steel Wire Cable – Strong, secure attachment Screw Lock Design – Prevents accidental opening Water-Resistant Protection – Reliable in daily use Durable Build – Long-lasting protection for your AirTag Versatile Use – Keys, backpacks, suitcases, pets Built for Security Unlike basic silicone holders, the steel cable adds extra protection, making it harder to remove or lose your AirTag. Specifications Compatibility: Apple AirTag Material: Steel cable + protective shell Lock Type: Screw lock mechanism Model OT-06
