Description

Philips VoiceTracer Audio Recorder DVT2050 Two high-quality stereo microphones for excellent sound quality Stereo MP3 and PCM recording for clear playback and easy file sharing Rechargeable Li-polymer battery for extra-long recording 8 GB internal memory storage for extra-long recording hours The Philips VoiceTracer 2050 is the perfect audio recorder for capturing notes, ideas and thoughts on the go. Thanks to its excellent sound quality, long-lasting battery and large extendable memory, it is the ideal alternative to recording with your smartphone Two high-quality stereo microphones for excellent sound quality The two high-quality stereo microphones deliver crystal-clear sound quality when recording notes, ideas and thoughts on the go Stereo MP3 and PCM recording for clear playback and easy file sharing Capture your recordings in stereo MP3 or PCM format. The popular MP3 file format allows you to play back your files virtually anywhere and simply share them with others. The PCM (WAV) format allows stereo recording of lossless, uncompressed sound in CD-like audio quality No installation required for quick plug & play The recorder requires no special installation. Simply plug your recorder into your PC or Mac and play back your files or transfer them to your computer right away Backlight display for easy file navigation in low-light situations The large backlit display allows you to see all important file information clearly at a glance. This makes file navigation easier, even in lowlight situations 8 GB internal memory storage for extra-long recording hours With the 8 GB of built-in memory, your recorder is able to capture multiple days of continuous recording Micro SD memory card slot for virtually unlimited recording Virtually unlimited recording capacity thanks to a micro SD memory card slot supporting up to 32 GB of additional memory Rechargeable Li-polymer battery for extra-long recording The high-capacity Li-polymer battery can be easily charged through a standard micro USB jack. This guarantees extended battery life for extra-long recording up to 50 hours, ensuring that your recorder will always be ready to work when you are FM radio for listening to your favourite tunes on the go Enjoy your favourite FM radio programmes whenever you like, as often as you like. Simply activate the record function when you hear your favourite radio programmes and the VoiceTracer records the radio signal in MP3 format.
