Minimum order quantity	1
Unit	—
Unit price	$7.00
Available quantity	0

Description

Car mount for dashboard with dual suction cup technology The WiWU CH014 features a double-lock suction cup and heat-resistant TPU material that delivers strong adhesion on smooth surfaces while maintaining stability in all driving conditions. The aluminum alloy construction ensures durability and longevity. When suction weakens, simply rinse the sticky surface with warm water and wipe dry to restore full holding power. Universal compatibility fits most smartphones securely
