Description

The Onyx UP portable blender is ideal for those who lead a healthy and active lifestyle. It includes a sport lid that allows you to drink directly from the cup, so you can prepare and drink your smoothie without needing an extra cup. It's perfect for preparing your smoothies wherever you are, since with its compact and portable design, you can take it with you anywhere and enjoy your favorite shakes and smoothies at any time of the day. Thanks to its USB charging, you can easily charge it anywhere and with its 2 batteries, you can use it up to 20 times on a single charge. In addition, this personal blender has a 400 ml Tritan cup (BPA free) and 6 stainless steel blades, which allow you to blend all types of foods. With the safety lock system, you can use the blender with complete peace of mind. It also features an automatic shutoff after 45 seconds, making it safe and easy to use. Make healthy, energizing smoothies at the gym or at the office, or make purees for the little ones at the park, or wherever you want!
