Description

The Ufesa AS4045 delivers powerful 800W suction with advanced multicyclonic technology for thorough cleaning on both carpets and hard floors. Its bagless design eliminates recurring filter costs, while the large 2L dust container reduces frequent emptying. The washable HEPA filter captures fine particles for cleaner air quality. Metallic telescopic tubes adjust to your height, and the switchable brush head adapts to different surfaces. Rubber wheels ensure smooth, quiet movement, while the automatic cord rewinder and transport handle make storage and portability effortless. Includes spear and multi-purpose brush accessories for versatile cleaning tasks. Features 800W powerful suction performance Multicyclonic system for deep cleaning Bagless design – no extra cost on bags Large 2L dust container HEPA filter for cleaner air Works on carpets & hard floors Automatic cord rewind Easy movement with smooth wheels
