Description

Small, practical hair dryer Dry and style your hair like in a hair salon with the powerful Beurer HC 35 Hair Dryer. The hair dryer can be perfectly tailored to your individual needs using the 3 blower and heat settings. An additional cold air setting adds the final touch to make sure your style stays in place. Thanks to the practical storage bag, the hair dryer can be quickly stored in the cupboard or a travel bag. Powerful DC motor (1600 to 2000 watts) 3 temperature and blower settings LED operating display Sleek and shiny hair thanks to integrated ion function Lockable cold air setting to give the hairstyle hold Adjustable styling nozzle Easy to clean thanks to removable safety filter Automatic switch-off if the motor overheats Hanging loop for easy storage Cold air setting to give the hairstyle hold
