Description

This stainless-steel BBQ brush with retractable handle and sturdy bristles removes burnt-on food in hard-to-reach grill areas. It includes a removable head for easy cleaning and a hanging hook. Utensil head retracts for compact storage. High-heat resistant head with heavy-duty wire bristles. Durable stainless-steel handle. Dismantles for easy-cleaning. Hanging hook for easy storage. Care & Use: Not dishwasher safe. To clean, soak brush in hot soapy water and then rinse under a running tap. Shake brush and allow to dry naturally before storing. Do not use harsh chemical cleaners. Caution: Examine the brush prior to each use for loose bristles. Do not use if any loose or broken bristles are found. Ensure cooking surface is free of any loose bristles prior to cooking. Replace cleaning brush periodically or when it becomes worn. Do not leave utensil on grill whilst cooking. Not suitable for ceramic-coated grills or commercial use. Keep out of reach of children.
