Description

These stackable sheet pans feature easy-pull handles on the sides to provide a larger gripping point when wearing oven gloves, making them easier and safer to handle. Made from heavy-gauge carbon steel. Durable dual-layer, non-toxic, non-stick coating that's free from PTFE, PFAS, PFOA, Lead and Cadmium. Easy-pull handles perfect for gripping with oven mitts. Designed to stack and store neatly with space between each sheet to improve airflow and avoid scratches. 10-year guarantee. Care & use: Hand wash only. Before first use, wash in warm soapy water and dry thoroughly. Caution: Do not use with metal implements or clean with abrasive cleaners as this may damage the non-stick coating. Always use protective oven gloves when handling a hot roasting tin and allow tin to cool before cleaning. Not suitable for use with microwave ovens, grills or hobs. Maximum cooking temperature: 232°C (450°F), Gas Mark 8.
