Description

This stackable round cake tin features easy-pull handles on the sides to provide a larger gripping point when wearing oven gloves, making it easier and safer to handle. Features: Made from heavy-gauge carbon steel. Features a durable non-stick coating. Easy-pull handles perfect for gripping with oven gloves. Designed to stack neatly with the Nest™ Bake 23 cm (9") round cake tin, with airflow and space between trays to avoid scratches. Care & Use: Hand wash only. Before first use, wash in warm soapy water and dry thoroughly. Caution: Do not use with metal implements or clean with abrasive cleaners as this may damage the non-stick coating. Always use protective oven gloves when handling a hot roasting tin and allow tin to cool before cleaning. Not suitable for use with microwave ovens, grills or hobs. Maximum cooking temperature: 232°C (450°F), Gas Mark 8. Dimensions: H8.6 x W29.2 x D27 cm (H3.4 x W11.5 x D10.6 inches) Weight: 0.84kg
