Description

This set of 3 roasting trays delivers premium quality and innovative space saving to your kitchen. Designed with heavy gauge, carbon steel – they each feature easy-pull handles on the sides to provide a larger gripping point when wearing oven gloves. What’s more, the clever design works perfectly for saving valuable drawer space too. Features: Made from heavy-gauge carbon steel with a durable non-stick coating. Feature easy pull handles perfect for oven gloves. Space-saving nesting design which allows airflow when stored and space between trays to avoid scratches. Works with other Nest™ Oven designs. 10-year guarantee. Care & Use: Hand wash only. Before first use, wash in warm soapy water and dry thoroughly. Caution: Do not use with metal utensils or clean with abrasive cleaners as this may damage the non-stick coating. Always use protective oven gloves when handling hot cookware and allow tin to cool before cleaning. Not suitable for use with microwave ovens, grills or hobs. Maximum cooking temperature: 230°C (450°F), Gas mark 8.
