Description

mini G6 Keychain Camera Photo and Video - Included 32GB miroSD Card Ultra-Mini Retro Design, Keychain Ready - Stylish vintage-inspired thumb camera with a compact, lightweight body. Easily clips onto keys, bags, or pockets for everyday carry and spontaneous shooting. 1080P Full HD Video & Photo Capture - Records clear 1080P HD videos and captures sharp photos, delivering impressive performance from a camera that fits in the palm of your hand. 0.96” Built-in Preview Screen - Instantly review photos and videos on the integrated 0.96-inch display—no phone or extra device needed. Multi-Function Shooting Modes - Supports photo shooting, video recording, audio recording, loop recording, continuous shooting, and selfie mode with a flip lens for creative flexibility. Built-in Flash Light for Low-Light Use - Integrated LED flashlight helps capture clearer shots indoors or at night and doubles as a handy emergency light. Ready Now, Expand Later – Includes a free memory card for instant use and supports expandable storage up to 128GB via T-Flash / Micro SD for unlimited memories. Long-Lasting 300mAh Battery - Rechargeable battery provides extended recording time, ideal for travel, campus life, outdoor activities, and casual vlogging. Easy to Use, Plug & Play - Simple controls make it perfect for beginners, kids, students and anyone who wants a fun, no-complication digital camera
