Unit price	\$760.00
Available quantity	0

Description

Two rollers not oneDyson’s double roller system means no smearing. Forwards and backwards cleaning rollers deliver rapid stain removal, and increased manoeuvrability. Leaves no dirt line behindSingle-roller wet washers rely on a squeegee which can cause a dirt line during cleaning. Dyson double rollers leave no dirt line. Removes wet and dry dirt in just one passTwo highly absorbent rollers powerfully remove stains, spills and dry debris. For a hygienically clean and washed floor, without the need to vacuum. Rapid stain removalMotorised counter rotating rollers agitate stains twice with each pass, forwards and backwards – for quick, easy removal. No smearing or dirt-spreadingSingle-roller wet washers can smear dirt. Dyson’s counter-rotating rollers – one washes, the other finishes – ensure no dirt is left behind. Achieves a better floor finish26 hydration points evenly apply clean water to the full width of the rollers, while densely-packed microfibre leaves only the smallest possible droplets behind. For a stain-free floor finish. Washes with clean water from start to finishOn every rotation, the rollers extract dirt before being evenly hydrated – hygienically washing up to 290sqm with clean water. No disgusting filters. No odours or bacteria.While some wet cleaners emit bacteria and bad smells from a dirty filter, the Dyson WashG1™ is filter-free. Six-point edge cleaningCleans edges and corners with six different points of contact. Ensuring a comprehensive whole-floor clean. Separates dry debris from waste liquidSecondary brush bars remove solid mess, while liquid is pumped into a separate dirty water tank – for hygienic, easy disposal. Full system Self-clean cycleFlushing the system in just 140 seconds, the Self-clean cycle works while your machine charges, ready for your next clean. Double roller system to effortlessly glide around furnitureEasy to manoeuvre, so you can quickly change direction. Designed to go low and reach into awkward spaces. Suitable for all hard floor typesIdeal for tiles, vinyl, laminate and sealed wooden floors anywhere around the home. Three cleaning modes for different tasks.Easily switch power modes to tackle anything from hair and debris, to sticky spills and dried-on stains. more details
