Description

Versatile accessories Generous capacity Premium design Variable speeds Detachable, easy-clean parts Non-slip feet If you've ever wished for a compact, handy appliance to do all the work of several utensils in one, consider your wish granted! The Russell Hobbs Desire Red 3-in-1 Hand Blender will chop your veg, blend your smoothies and whisk your cream with ease. This 500W rated hand blender can prepare up to 600ml of ingredients at the touch of a button. It's 2 speed settings lets you control the finish to be just how you like it, whether that's silky smooth or roughly chopped. And with its detachable, easy-clean parts, the washing up is easy to take care off in no time at all Versatile accessories Switch easily between blending, chopping and whisking to create delicious meals and snacks thanks to the 3 quick-fit, stainless steel accessories Generous capacity The 1L chopping bowl has a generous 500ml working capacity and there is 600ml of whisking and blending space in the beaker - enough to satisfy even the largest of households Premium design The Desire 3-in-1 Hand Blender is not just a high performer - its bold red colour scheme featuring sleek grey accents make it a must-have appliance for any kitchen Variable speeds You might want a roughly chopped salsa or a very smooth soup, so we've developed our 500W 3-in-1 hand blender with 2 speed settings, to give you the ultimate control - for the perfect result
